Organic Inputs

Pricing for retail packaging will vary

SI No	Product	Description	Price
1	Pongamia Powder	Excellent organic nitrogen supplement (18 times that of ordinary compost) and also acts as a natural soil-borne pest repellent, pesticide when soaked in water and the residual water is filtered & sprayed.	Rs. 40 per kg

Janadhanya Farmers' Federation

		usage.	
4	Puchimarundu	A plant based herbal insecticide used against different types of leaf eating and pod boring caterpillars and to some extent against sucking pests. Contains Neem extracts, Vitex nigundo leaves, Clerodendron leaves, Calatropis leaves and Aloe vera extracts	Rs. 150 per liter
5	Vermiwash	For growth, Dilute one liter of vermiwash in 7 liters of water and spray as a foliar spray during the late evening hours. An equal mixture of vermiwash and cow urine(1 liter each) in 10 liters of water acts as a biopesticide and liquid manure.	Rs. 150 per liter
6	Vermicompost	Containing water-soluble nutrients, vermicompost is an excellent, nutrient-rich organic fertilizer and soil conditioner. Application of vermicompost helps improve soil aeration and enhances germination of seeds, plant growth and crop yield.	Rs. 12 per kg

Food Products

SI No	Variety	Description	Price
1	Little Millet Rice	A healthy substitute for rice, Protein and calcium rich. As it takes longer to digest, it releases glucose steadily during digestion preventing blood sugar fluctuation as is with rice.	Rs. 80/- per kg
2	Foxtail Millet Rice	Releases glucose steadily during digestion without affecting blood sugar. Thus great for diabetics! As a food habit can bring down the chances of diabetes in young. Used as a substitute for rice.	Rs. 70/- per kg
3	Finger Millet Rice	Great in iron, calcium and fiber content. Ideal for women, elders and children. Brings	Rs. 35/- per kg

Janadhanya Farmers' Federation

5	Finger Millet(Ragi) Flour	Tasty and made from local indigenous varieties of Ragi. Flavorful and delicious.	Rs. 40/- per kg
6	Rice Flour	Rice Flour made out of indigenous rice varieties giving the flour a unique shade of red, with great fiber, calcium, iron contents	Rs. 40/- per kg
7	Little Millet Flour	Saame Flour for those who do not eat rice, this can be mixed in Chappati, Roti or dosa for a protein rich experience.	Rs. 90/- per kg
8	Multi millet Chappati Flour	<i>Coming soon – Chappati flour from Saame, Navane and Ragi. A healthy substitute for wheat if you are allergic to gluten.</i>	Introductory price Rs. 80/- per kg
10	Tur Dal	Tastier and consistently cooking grains. Unpolished - keeping the protein, fiber and calcium content intact.	Rs. 130/-per kg
11	<i>Little Millet Rava(Broken Rice)</i>	A healthy substitute for rava, with same qualities as little millet, only tastier!	Rs. 85/- per kg
